# SPRING

Resident Satisfaction Surveys will be distributed early part of April. We would love to hear your feedback... please tell us what you think is going great at Prairie Village, what could use some help, or any suggestions you have for us. This will help us keep improving Prairie Village so we can make it the best retirement community for our residents! Feel free to return them to the office.

As we embrace the arrival of spring, we are filled with excitement and joy for the season ahead. The longer days, blooming flowers, and warmer weather bring a sense of renewal and hope to our community. We are grateful for each and every one of you and the light you bring into Prairie Village.

May this season be filled with blessings, happiness, and cherished moments. Let's enjoy the beauty of nature, the warmth of the sun, and the company of one another. As we welcome spring with open arms, may it bring peace, joy, and a sense of rejuvenation to all of us.

Wishing you a blessed and happy spring season. May it be a time of growth, positivity, and love.
