# SPRING

As we embrace the arrival of spring, we are filled with excitement and joy for the season ahead. The longer days, blooming flowers, and warmer weather bring a sense of renewal and hope to our community. We are grateful for each and every one of you and the light you bring into Prairie Village.

May this season be filled with blessings, happiness, and cherished moments. Let's enjoy the beauty of nature, the warmth of the sun, and the company of one another. As we welcome spring with open arms, may it bring peace, joy, and a sense of rejuvenation to all of us.

### SEVERE WEATHER

With the warm weather coming, there is a possibility of severe storms.

During a Thunderstorm: always remember to close windows and secure doors. Al-

ways have a flashlight and battery operated radio available. Avoid bathing/showering or washing dishes during severe storms. Use a cordless phone or cell phone if needed. Stay away from windows if it is hailing.

During a Tornado Watch/Warning: In your apartment the place to seek shelter is in your bathroom. Stay away from windows. Put as many walls between you and the outside. Cover with a blanket and pillow and do not open doors or windows.

Our newest residents, Emil and Karol Bouc. We loved hearing all about their story at our most recent new resident social. Welcome to Prairie Village!

### A WORD FROM THE KITCHEN:

We will be introducing a new alternative daily menu that will be more of a restaurant style dining. If you do not care for the two options being served you have the option to choose something else. Options being offered include: BLT's, Cheeseburgers/Hamburgers, Chef Salad, Deli Meat & Cheese Sandwich, Fried Egg Sandwich, Grilled Chicken Sandwich, Chicken Strips, Grilled Cheese Sandwich, Chicken Noodle Soup, Tomato Soup, as well as many sides which include: Mashed Potatoes with your choice of gravy, Tossed Salad, Chips, Vegetable Blend, and many others.

Residents always enjoy Wii bowling. It's even better when we have some cold beers and snacks while we bowl!

A sincere thank you to Cathryn Hennings for leading the Monday AM Bible Study, while the Cumberlandds were away for the winter. It was truly appreciated!

Kathy Miller created this beautiful diamond dot photo of Prairie Village and had it framed. She was so very generous and donated it. We hung it in the entry way to display. Thank you again Kathy for the beautiful framed art.
